CHRISTIANITY CRIMINALIZED?

Christianity is being culturally challenged, maligned, and rebuffed by a growing group of people and groups in America who are portraying believers as villains in our culture. While we as Christians simply want to be kind, hoping to win souls for Jesus, we are being vilified instead for believing in something larger than our government and its leaders.

PROGRESSIVE HUMANISTS ARE SAYING:

- The Bible promotes “hate”
- Parental authority prevents progress
- The government is greater than God

POWERFUL VOICES ARE WORKING TO TAKE AWAY OUR FUNDAMENTAL AMERICAN RIGHTS:

- Religious Freedoms
- Marriage as Institution
- Sanctity of Life
- Say in Children’s Education

*We cannot let these freedoms die — or America as we know it will die as well. We need champions in the church who will stand up for our God-given rights as citizens of this country. **With God, there is a better way.***

ENGAGING IN CULTURE

God's way!

God provides the way for Christians to engage the world through Scripture and reason. It is the same way He engages us — He preserves the world for a time, so that He may save those who believe in Him.

LEFT-HAND KINGDOM

CHAMPION CULTURAL SERVANTS

God can use us as parents, citizens, law enforcement, governing agencies, etc., to **preserve the foundation principles** of America. We must work to preserve our culture as founded on Biblical principles.

RIGHT-HAND KINGDOM

CHAMPION WITNESSES

God sent His Son Jesus and the power of His Word through His Spirit to **save us** from our sinful nature and its negative impact on our world. We work to spread the message of salvation in Jesus and the freedom found in Him.

BECOMING A CHAMPION

Seeing the need for cultural servants to link arms and become a stronger voice in our culture, the Lutheran Center for Religious Liberty created the Champions for Religious Liberty Network. Together, this passionate group of Champion Citizens is a faithful solution to a powerful problem.

THE ACADEMY

Individuals and groups begin with the Champions Academy – learning together, supporting one another, and building plans of engagement.

THE CHURCH

Groups within churches participate in the Champions Network. We work with pastors and leadership to provide extra support for Champion Citizens.

THE NETWORK

The nationwide Champions Network connects Citizens and Church Groups, then to community to community, state to state, and coast to coast.
